At least 3,797 people were executed in 25 countries in 2004, and at least 7,395 people were sentenced to death in 64 countries, according to Amnesty International.

Owing to this fact, we are reckoned as one of the leading manufacturers and exporters in our domain.

But, what about the conclusion? Are you sure in regards to the supply? What I don't realize is in reality how you are not actually much more neatly-appreciated than you may be right now.
